ADVISORY NOTICE TO HAZARDOUS MATERIALS SAFETY PERMIT APPLICANTS
(For Initial and Renewal Applications)

As a motor carrier applying for either a new or renewed Hazardous Materials Safety Permit (HMSP), it is important that the information in your Company Safety Profile correctly reflects your performance. This is especially critical in the determination of your company's Driver, Vehicle and Hazardous Materials Out-of-Service (OOS) inspection rates. The Federal Motor Carrier Safety Administration (FMCSA) recommends that you carefully review your company's information for accuracy, prior to submitting your application, and pay particular attention to your Vehicle OOS rate to ensure that Hazardous Materials OOS inspections are not being counted in both the Hazardous Materials and Vehicle OOS calculations. Should you find information in your Company Safety Profile that you feel is in error and impacts your ability to obtain a HMSP, please contact the Hazardous Materials Division at FMCSA for assistance in resolving your issues at 202-385-2400.

Helpful sites to aid in your search for company information are:

**** ALERT *****

It is DOT policy to make records available to the public to the greatest extent possible, in accordance with the Freedom of Information Act. Upon the completion of the form OP-1 online your information will be made public and you may receive telephone calls from outside service providers that are neither authorized nor sanctioned by FMCSA.

****

PLEASE NOTE: The FMCSA has implemented a more stringent credit card and transaction verification procedure. All credit card transactions now require verification of the credit card number, expiration date, security code, billing address and telephone number.

To update your Docket Number (Operating Authority) information electronically, you will need a Personal Identification Number (PIN). A separate Personal Identification Number (PIN) is required to update your USDOT Number information electronically.

Click here to request your Docket Number PIN and/or USDOT Number PIN. Allow 4 to 7 business days to receive your PIN by mail.

Note: Reinstatements may not be processed immediately. It is the responsibility of the motor carrier to ensure that they are in full compliance with all FMCSA regulations prior to beginning interstate operations.

Registration Options

Welcome to the online site for making sure that your Motor Carrier operation (truck and passenger carrier) is properly registered with the Federal Motor Carrier Safety Administration. Whether you need to register with us or make an update to an existing record, this site will help you get the job done.

All electronic transactions will require a valid credit card (American Express, Discover, Master Card, Visa.)

New or Additional Registration

- (•) I think I need to register with the FMCSA to get a USDOT number, Operating Authority (MC/FF/MX number), or CT number (Cargo Tank Facility).
  (If you're not sure, select this option, then "Continue" and the system will let you know).

Continue Filling Out Registration

- ( ) Use your registration tracking number and tracking identifier to continue filling in your registration (one of the following forms: MCS-150, MCS-150B, OP-1, OP-1 (P), OP-1(FF), CT Registration, or update Operating Authority (MC/FF/MX number)).
- ( ) Use your registration tracking number and tracking identifier to continue filling in your Form OP-2 application (commercial zone, Mexico domiciled).

Existing Registration Updates

- ( ) I need to update my USDOT number registration information or file my biennial update.
- ( ) I need to update my MCS-150B / HM Safety Permit.
- ( ) I want to apply for a transfer of my Operating Authority (MC/FF/MX number).

I need to update my Operating Authority (MC/FF/MX number) registration information by

- ( ) a. Filing a name change
- ( ) b. Filing a change of address.

I was registered with the FMCSA and now want to restart my business by:

- ( ) a. Reapplying for a USDOT number after revocation
- ( ) b. Requesting that my Operating Authority (MC/FF/MX number) be reinstated
- ( ) I want to update my Cargo Tank Facility registration statement information.

I want to notify the FMCSA that I am no longer in business

- ( ) Inactivate my USDOT number
- ( ) Voluntarily revoke my Operating Authority (MC/FF/MX number)

Other

- ( ) I want to request a copy of a document.

New or Additional Registration

The system has determined that you need to file a **Form MCS-150 (Motor Carrier Identification Report).**

Once a motor carrier has filed a completed MCS-150/150B accurately, it will receive its USDOT number, and will be placed in the FMCSA New Entrant program. Motor carriers in the New Entrant program are subject to an 18-month safety-monitoring process. During the safety-monitoring period, motor carriers will be subject to a safety audit, and the motor carrier's safety data (pertaining to inspections and crashes) will be monitored closely.

Motor carriers must ensure that they have basic safety management controls in place. Failure to have these controls in place could result in the revocation of the motor carrier's USDOT number, which means that the carrier would not be allowed to operate in interstate commerce.

The system has determined that you need to file an **OP-1 application** for an operating authority (MC number).

Submit this form in order to apply for a:

1. Certificate or Permit as an **interstate for-hire** motor carrier of property or household goods
2. Certificate as a United States-based enterprise owned or controlled by citizens of Mexico providing truck transportation of international cargo or household goods
3. License to operate as a broker arranging the transportation of property or household goods using regulated carriers.

Note: If you are currently revoked for any type of authority, you must use the reinstatement process.

Verification of company
Companies with an **EXISTING** application or operating authority **MUST** have a docket number personal identifying number (PIN) and must submit a valid credit card number as their electronic signature in order to update their application or operating authority online.

Please note that NO CHARGE will be made to the credit card when the system verifies the applicant's signature.

Credit card charge
There is a fee for OP-1 registration.

The fee depends on the number of authorities being requested. An applicant may choose several types of authorities on one form (i.e, common, contract, or broker). Each type of authority is $300.

Separate fees are required for each type of registration that is requested. However, if the for-hire applicant requests authority as both a motor common carrier and a motor contract carrier, only one fee is required (i.e., $300).

Payment is by credit card only (American Express, Discover, MasterCard, Visa).

Pursuant to 49 CFR 360.3(c), fees are not refundable.
After the FMCSA accepts the application or document for filing, the filing fee will not be refunded, regardless of whether the document is granted, approved, denied, rejected, dismissed or withdrawn.

Instructions

SECTION IV Safety Certification (Motor Carrier Applicants Only)

APPLICANTS SUBJECT TO FEDERAL MOTOR CARRIER SAFETY REGULATIONS - If you will operate vehicles of more than 10,000 pounds GVWR and are, thus, subject to pertinent portions of the U.S. DOT's Federal Motor Carrier Safety Regulations at 49 CFR, Chapter 3, Subchapter B (Parts 350-399), you must certify as follows:

Applicant has access to and is familiar with all applicable U.S. DOT regulations relating to the safe operation of commercial vehicles and the safe transportation of hazardous materials and it will comply with these regulations. In so certifying, applicant is verifying that, at a minimum, it:

1. Has in place a system and an individual responsible for ensuring overall compliance with Federal Motor Carrier Safety Regulations;
2. Can produce a copy of the Federal Motor Carrier Safety Regulations and the Hazardous Materials Transportation Regulations;
3. Has in place a driver safety training/orientation program;
4. Has prepared and maintains an accident register (49 CFR 390.15);
5. Is familiar with DOT regulations governing driver qualifications and has in place a system for overseeing driver qualification requirements (49 CFR Part 391);
6. Has in place policies and procedures consistent with DOT regulations governing driving and operational safety of motor vehicles, including drivers' hours of service and vehicle inspection, repair, and maintenance (49 CFR Parts 392, 395 and 396);
7. Is familiar with and will have in place on the appropriate effective date, a system for complying with U.S. DOT regulations governing alcohol and controlled substances testing requirements (49 CFR 382 and 49 CFR Part 40).

(•) Yes ( ) No ( ) Not Applicable

EXEMPT APPLICANTS - If you will operate only small vehicles (GVWR under 10,000 pounds) and will not transport hazardous materials, you are exempt from Federal Motor Carrier Safety Regulations, and must certify as follows:
Applicant is familiar with and will observe general operational safety guidelines, as well as any applicable State and local laws and requirements relating to the safe operation of commercial motor vehicles and the safe transportation of hazardous materials.

This application seeking federal registration to operate in interstate commerce or as an intrastate operation has been approved.

As a "New Entrant", the FMCSA will continue to evaluate the safety management practices through a safety audit and monitor the on-road performance prior to granting motor carriers permanent registration. Motor carriers must maintain minimum safety standards and continue to comply with Federal Motor Carrier Safety Regulations (FMCSRs) and applicable Hazardous Materials Regulations (HMRs) in order to continue operating in interstate commerce during and after the 18-month period. Failure to comply with these requirements may result in the revocation of the USDOT Registration operating authority.

A follow-up letter will be mailed to all interstate commerce operations within a few days, explaining FMCSA Regulatory Registration requirements.

Congratulations!

You have completed the OP-1 application. Notice of the application will be published in the FMCSA Register.

You may begin operations only after the certificate, permit or license has been issued following your compliance with the requirements shown below:

1. Insurance (liability: Form BMC-91 or BMC-91X; and cargo: Form BMC-34) (49 CFR 387)
2. Insurance (surety bond: Form BMC-84 or trust fund: Form BMC-85) (49 CFR 387): for brokers
3. Designation of agents upon processes may be served (Form BOC-3) (49 CFR 366)
4. Offer of arbitration as a means of settling loss-damage disputes (49 USC 14708): for household goods carriers

Note: To avoid delay in the issuance of your operating authority (MC number), your name, address and MC number (excluding the suffix) **MUST MATCH EXACTLY** on all of the forms that you file, including the information filed by your insurance company.

If the applicant fails to comply within 20 days of the date of publication in the FMCSA Register, a decision will be served notifying the applicant that the application will be dismissed for want of prosecution unless the applicant complies with the requirements within 60 days.

Within 24 to 48 hours after filing your application you can visit our website at FMCSA to see the status of your application.

If you have any questions about the OP-1 application process and the issuance of operating authority, please call the FMCSA Licensing Team at **202-366-9805**.
