EMT Ford E-450 Vehicle Update (the remaining 15 are complete and will be shipping soon)

Your Truck. Your PM Responsibility

Each EMT is responsible for the Preventive Maintenance of their assigned Ford E-450 Vehicle.

PM Programs are Already live in Whip Around

Service Program	Interval
PM-A	Every 5,000 miles
PM-B	Every 15,000 miles
PM-C	Every 60,000 miles

EMT Ford E-450 Warranty, Emissions & *FordPass* Support

How we Protect the Truck (and You)

Warranty & Emission Guardrails

- EMTs **do not self-repair:**
  - Warranty Items
  - Emissions-related issues
- Warranty & emissions repairs must be performed by **authorized Ford dealers**
- Coverage is based on **time or mileage — whichever occurs first**

***FordPass* Points Support**

- **Cass Taylor-Fleet Truck Manager will:**
  - Set up ***FordPass* Points** for EMT Vehicles
  - Coordinate with **local Ford dealers**
- ***FordPass* Points** can be used for:
  - **1-2 Oil changes,** depending on dealer labor rates

Bottom Line: EMT's own the PMs-Ford owns the warranty- Fleet helps bridge the gap.
